

*Clara
Barton*

14 January 1944.

Dear Mr. Owen:

Miss Barton's name has been suggested at several elections, by different individuals, and I regret that I cannot disclose the names of those making the nominations.

In another cover, I am taking the liberty of sending you some data relating to the Hall of Fame which I hope may be of interest to you.

Sincerely yours,

Assistant to the Director.

Mr. Francis C. Owen, President
The Clara Barton Society
254 N. E. 35th Street
